

CFI Open Forum: Preventing Loss of Control Accidents

We will be covering Preventing Loss of Control Accidents along with discussions on Fuel Monitoring, GA Weather Decision Making and Aeronautical Decision Making.

Directions: The CAP Headquarters are located in the old Reno Flight Service building in the North end.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
